

battleship::network
_message::message

```
graph BT; A[battleship::network_game_message] --> B[battleship::network_message];
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'battleship::network' followed by '_message::message' on the next line. The bottom box is white and contains the text 'battleship::network' followed by '_message::game_message' on the next line. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating an inheritance or specialization relationship.
